

Time License Activation

The user will want to **run** our License Selector application (c:\Powersuite_2018\select.exe) which can be found in your Windows Explorer or

click on the start button on the taskbar and Click on All Programs and Click on PowerSuite_2018, click on Utilities and then select the License Selector. This will activate the License Selector shown below. You may also select License Selector 2018 from the Desktop Power*Suite_2018 folder created during the install.
